Re: Change in File Number, JLW 33, from S/055/014 to S/017/042, Garfield County, Utah

Dear Mr. Leeds:

It has just been discovered that the file number for your JLW 33 mine site has been mis-numbered. We inadvertently had your mine located in Wayne County, when it should be located in Garfield County, given the legal description. Therefore, we have changed the file number for your mine site from S/055/014, Wayne County, to S/017/042, Garfield County.

If you have any questions regarding the change in this file number, please contact me at (801) 538-5291 or my supervisor, Wayne Hedberg at (801) 538-5286. Thank you and have a great new year.

Sincerely,

Joelle Burns
Minerals Secretary
